

Blender (Entry Level)

Location: Dundas, Ontario, Canada

Web Site Address: www.liburdi.com

Number of Positions: 5

Posting Date: June 2018

Contact Email: resume@liburdi.com

Reference Number: TE06012018

Please quote the above Reference Number in the subject line of your email

Liburdi Turbine Services provides mechanical and metallurgical engineering services specifically tailored for the gas turbine industry. This allows us to perform an independent analysis of problems and, where required, to modify or redesign components. Our expertise lies in the fields of aerodynamics, thermodynamics, heat transfer, stress analysis, metallurgy and mechanical design as they apply to aircraft and land based gas turbines. The company offers firm opportunities for career growth in an attractive but yet challenging technical environment. We are currently seeking candidates who are qualified for the role of **Blender**.

The role of Blender reports to the Manufacturing Manager. We have three (3) positions available on our **2nd shift** (Monday to Friday, 3:30pm – 12:00am) and two (2) positions available on our **3rd shift** (Sunday to Friday, 11:00pm – 7:00am).

Typical Duties Include (but are not limited to):

- Responsible for recreating original geometric specifications of parts using a variety of methods.
- Responsible for blending materials.

Key Skill Requirements:

- Excellent hand eye coordination
- Willingness and ability to work as part of a team
- Strong attention to detail
- Excellent fine manual dexterity is required

Key Education Requirements:

- A minimum of 1 - 2 years' experience working with small hand tools
- Experience grinding and prepping parts is required
- Experience with inspection tools (for example: Vernier calipers, height gauges, dial indicators) is required

Application Information:

This role is a full-time position with initial training on our day shift. Successful candidates are required to pass a standard practical test for hand tools. Interested candidates are encouraged to forward their resume (**please include the reference number in the subject line**) to: resume@liburdi.com

Liburdi is an equal opportunity employer. We welcome and encourage applications from people with disabilities. Accommodations are available upon request for candidates taking part in all aspects of the selection process.

Liburdi Turbine Services Inc.

400 Highway 6 North, Dundas, ON L9H 7K4

Only qualified candidates selected for an interview will be contacted.
